
FLORIDA HURRICANE CATASTROPHE FUND (FHCF)
EXPOSURE EXAMINATION – CONTRACT YEAR 2021
ADVANCE PREPARATION INSTRUCTIONS

The following instructions are provided to help your Company prepare for the FHCF’s examination.

ADVANCE RECORDS

Your Company is required to submit information and records in advance to allow the examiner to prepare for the review and to ensure the examination begins as scheduled. A checklist has been set up in the Company’s *WIRE* account. Advance information and records must be submitted using the *WIRE* checklist in the format/file type specified in the instructions that follow. To access the checklist: log in to *WIRE* (<https://www.sbafla.com/fhcfwire/>), and click the ‘Exams’ icon.

There are two parts of the checklist which must be completed before the entire records package can be submitted to the FHCF: 1) Exam Location and Contacts, and 2) Upload Advance Records. Detailed instructions for each part are provided below. The ‘Submit’ button located at the bottom of the checklist will not engage until all required components have been entered/uploaded. You must click the ‘Submit’ button to send the checklist and records to the FHCF. Once the records package has been submitted, additional uploads are prohibited.

PART 1: EXAMINATION LOCATION AND CONTACTS

If the examination is to be conducted on-site at your company, the examiner will travel to one location. Enter the street address of the office location best suited for the on-site review. This information is not required for an examination that will be conducted remotely. Next, enter the name and contact information of the person who will serve as the exam coordinator and the name and contact information of a company executive. All examination correspondence, including the examination findings and report will be directed to the designated coordinator.

PART 2: UPLOAD ADVANCE RECORDS

Prepare the records and attachments that follow according to the specifications outlined below and upload each to the *WIRE* checklist. IMPORTANT: *WIRE* will retain only one file for each record type (the last file uploaded). Subsequent uploads will overwrite any previously uploaded file, regardless of a difference in filename.

1. OPERATIONS QUESTIONNAIRE

Download the questionnaire worksheet from the *WIRE* checklist. Answer all questions based on covered policies in force for the Contract Year being examined and save the completed questionnaire in its original Excel format (xls or xlsx) before uploading it to the *WIRE* checklist. The individual(s) responsible for preparing the questionnaire should be available to answer questions before and during the examination.

Attachments for Operations Questionnaire

Based on your response to some questions, you may be required to provide additional information in a separate file, or attachment. If so, save each attachment as a separate file, then combine all attachment files into a single zip file to upload it to the *WIRE* checklist.

2. CONSTRUCTION MAPPING WORKSHEET

A completed Construction Mapping Worksheet must be uploaded to the *WIRE* checklist. If your Company submitted a Construction Mapping Worksheet to Paragon for approval prior to the Data Call submission, you must upload the approved worksheet. If not, download the worksheet from the *WIRE* checklist. Complete it in its entirety and upload it as a doc, docx or pdf file to the checklist.

Construction Mapping Approval Letter from Paragon

If your Company received an approval letter from Paragon for its Construction Mapping Worksheet, upload a pdf file of the approval to the *WIRE* checklist.

3. FORMS AND ENDORSEMENTS

Provide a list of all forms and endorsements used (as of the Data Call date) for all Covered Policies. The list must include the form and endorsement numbers and titles, and must be saved as an Excel (xls or xlsx) worksheet or workbook (if the list is divided among multiple worksheets) and uploaded to the *WIRE* checklist.

Forms and Endorsements Specimen Copies

Save each form and/or endorsement specimen as a separate file, then combine all into a single zip file to upload to the *WIRE* checklist. If possible, limit specimen file names to 50 characters or less. DO NOT scan all forms and endorsements into one multi-page pdf file.

4. WINDSTORM MITIGATION FEATURES MAPPING

Provide a list of windstorm mitigation features for Structure Opening Protection and Roof Shape, the definition of each feature, and the applicable FHCF code used to report each feature. The list must be saved as an xls, xlsx, doc, docx, or pdf file and uploaded to the *WIRE* checklist.

5. STATUTORY PAGE 14 (FLORIDA DWP)

Provide a copy of the annual statement page with the direct written premiums for Florida for the period ending December 31, 2020. Save as a single pdf file and upload it to the *WIRE* checklist.

6. DIRECT WRITTEN PREMIUM REPORT

Provide a report for the period ending December 31, 2020, which supports your Company's total direct written premium for all lines where any policy or coverage subject to the FHCF may be written. Lines of business that should always be included in this report are Fire, Allied Lines, Farmowners Multiple Peril, Homeowners Multiple Peril, Commercial Multiple Peril (non-liability portion) and Inland Marine. If your Company writes inland marine endorsements and the premium is included under a line of business other than Line 9 for Inland Marine, identify these policies separately in the report by using FHCF line of business code 6 or provide a notation in field 9 of the report designating that the policy has an endorsement. For lines of business that include premium for both commercial and residential policies (e.g., Fire and Allied Lines), distinguish between the different policies using the FHCF type of business/line of business codes. The Direct Written Premium Report must include all policies needed to reconcile to the line item total on the annual statement regardless of whether the policies are covered by the FHCF. Also, if there are differences between the premiums listed on Statutory Page 14 and the Direct Written Premium Report, provide a schedule detailing the reconciling items in the section titled 'Cover Letter and Other Support Files' on the *WIRE* checklist.

The Direct Written Premium Report must be by individual policy, sorted by type and line of business, must be provided in a pipe delimited text file (txt), and must contain the fields in the order listed in the

table below. **Policy numbers in the Data Call File and Direct Written Premium Report must be formatted alike. If not, an explanation on how to match the policies is required.**

7. UNDERWRITING AND RATING MANUALS

The examiner will need to review a copy of your Company's underwriting manual and rating manual for policies covered by the FHCF effective June 30, 2021. Your Company is required to make this available to the examiner on the scheduled start date of the examination; however, we would prefer that it be provided in advance. You may save a copy as a pdf to upload to the *WIRE* checklist, or if there are two separate files, you should combine them both into a single zip file before uploading to ensure both are retained. At the time of upload, you will be prompted to enter the name and email address of a contact that is familiar with these manuals.

8. COVER LETTER AND OTHER SUPPORT FILES

A cover letter is not required; however, if there is any additional information related to the advance records or the examination that your Company wishes to bring to the attention of the examiner, it may be noted in a cover letter, saved as a doc, docx, or pdf file and uploaded to the *WIRE* checklist. If you wish to provide additional support files, combine all files (including the cover letter) into a single zip file before uploading.

REQUIREMENTS FOR COMMENCEMENT AND DURATION OF EXAMINATION

In order for the examiner to properly conduct and expedite an early conclusion of the Exposure Examination, the exam coordinator should ensure that the examiner has access to items 1-4 below on the first day and throughout the duration of the scheduled, dedicated examination work period designated in the Notice of Examination letter from the FHCF.

1. EQUIPMENT AND SPACE (if an on-site examination)

The examiner will need a private working space and an internet connection.

2. COMPANY PERSONNEL

The exam coordinator may wish to provide names of persons whom the examiner can contact directly for answers to the many questions the examination generates.

3. POLICY RECORDS TO HAVE AVAILABLE

The examiner will request applications and declaration pages to be available for review. If policy files are made available physically rather than electronically, and the examiner is on-site, your Company is responsible for coordinating the retrieval of the files to one central location. The files must contain at least the following information:

- a. Insured's Name
- b. Address and ZIP Code for location of property insured
- c. Policy Number
- d. Policy Period
- e. Construction Type
- f. Deductible Group
- g. County Code
- h. Total Insured Values
- i. Year Built
- j. Evidence to support the reported Roof Shape code
- k. Evidence to support a reinforced concrete roof, if applicable
- l. Evidence to show if a Residential Structure has Structure Opening Protection
- m. A copy of the Residential Property Insurance Checklist required by the Office of Insurance Regulation Rule 690-167.013, F.A.C. (This requirement applies to homeowners', mobile homeowners', dwelling or condominium unit owners' policies)
- n. All applicable endorsements and policy changes
- o. Underwriting manual and rating manual for policies covered by the FHCF, if not already provided in advance through *WIRE*.

Online policy files may be acceptable for the review of residential lines of business if the items listed above are viewable on the online system, if the system is the same system that produces the Company's dec pages, and if the examiner determines the system information is reliable. If the examiner determines the online system cannot be used for policy review, then your Company must provide the physical policy files including the applications and underwriting files.

For review of commercial policies, the complete policy files, including underwriting files, applications, commercial class codes, and statement of values are required.

4. ADDITIONAL REQUIREMENTS

- a. Companies writing commercial policies covering single structures that contain a mix of both commercial-habitational and commercial non-habitational or business occupancies, are required to submit a proposed methodology for determining predominant use, as defined in the Data Call, to the FHCF Administrator on an annual basis before the September 1st deadline. Your Company must be able to identify these types of policies and individuals familiar with your Company's class codes and underwriting guidelines must be available to answer questions during the examination.

-
- b. If your Company reported exposure from collateral protection policies covered by the FHCF, you must be able to provide documentation that the policy covers the borrower's and lender's interest and that the dwelling coverage amount of the policy is equal to or greater than either the coverage amount for the dwelling in place under the lapsed homeowners policy, or 100% of the replacement cost value of the dwelling as determined under a methodology approved in advance of the annual Data Call submission. Documentation must include:
- (1) A copy of the lapsed homeowner's policy that was replaced with a collateral protection policy; or
 - (2) Documentation from the approved methodology that shows the dwelling coverage is written in an amount that is at least equal to 100% of the replacement cost value of the dwelling.

POST-EXAM REQUIREMENTS

The examiner or the FHCF may request additional information and/or documentation following the completion of the review. All records, including exposure filings (Data Call submission), policy files, and supporting documentation must be retained until the FHCF has completed its examination of your Company's exposure submission and Loss reports (applicable to the Data Call Contract Year) and commutation for the Contract Year (if applicable) has been concluded.
